Cartridge Return Program

Konica Minolta Return Program cartridges are patented print cartridges sold at a discount in exchange for the customer's agreement to the license requirement that the cartridges will be used only once and returned only to manufacturer for remanufacturing or recycling. These patented cartridges are licensed for single use only and will stop working after delivering a fixed amount of toner. Toner may remain in the cartridge when replacement is required. Replacement cartridges sold without these restrictions (non-returnable cartridges) are also available. Please contact a Konica Minolta representative for further details and availability.

OPERATE YOUR DEVICES WITH PERFECT EASE

Why not use your multifunctional device like your tablet or smartphone?

Intuitive and customisable operation – any modern multifunctional device should offer these essential attributes. In Konica Minolta’s bizhub range, they are standard.

A touch screen almost like a tablet

The latest bizhub generation with Konica Minolta’s INFO-Palette design lets you drag, drop, pinch in and out or rotate images, offering truly intuitive operation. Call up any menu you want with a quick flick of your finger; and enjoy the convenience of a generously sized touch screen.

Complete customisation

With customisation, Konica Minolta pays heed to the fact that every organisation works differently. Reflecting this, the bizhub MFP user interface can be customised to the needs of individual users in a number of ways. And if you want more for your enterprise, why not have your corporate user interface individually designed by us and integrate your company-specific workflows?

INTUITIVE OPERABILITY HIGHLIGHTS

- **Easy and intuitive:**
